## Mother Teresa's Relics in Lafayette

First and second class relics of Blessed Teresa of Calcutta will be available for public veneration on Sunday, July 25 from 2 to 4 pm at St. Genevieve Church. On display will be two first class relics - one reliquary containing some of Mother Teresa's blood and another containing a lock of her hair. There will also be second class relics including Mother Teresa's crucifix, rosary, sandals and sari habit. Large crowds are expected, so you can expect long waiting times to venerate the relics.

## Birthdays and Anniversaries

Several people have asked me if I am going to continue the practice that Fr. Chester began of recognizing birthdays and anniversaries at the end of each Mass. I think it is a wonderful and affirming tradition, and I would like to continue it - just in a different fashion. Instead of having birthdays and anniversaries recognized at each Mass, I would like to begin recognizing them in the bulletin. This way, not only the parishioners at a particular Mass will be informed, but also the entire parish community can become involved in praying for each other for these special dates in our lives. Furthermore, we can be assured of each other's prayers and well wishes even if there is a visiting priest who may not be aware of this custom (or if I forget to do it at one of the Masses). So, we are asking that you begin emailing us your birthdates and anniversaries each week so that we may place that information in the bulletin. We will be doing this on a weekly basis, and we ask that your emails be submitted no later than 4PM on Wednesdays. Please email Denise at denise@ourladyofwisdom.org with names and dates for the upcoming week. Also, if you would like a personal blessing, please approach me after Mass, and I would be happy to give you one.

## Dear parishioners and friends,

Many people ask me about confession, about venial versus mortal sins, etc... Although we may have learned about this sacrament in our formation, I offer the following as a reminder. When coming to Confession, if you have to confess a mortal sin, the Church teaches that it is important to mention both KIND and NUMBER (cf. Canon 988.1). Kind: What specific "kind" of sin is it? It is not enough to say that you committed "impure acts" - this is too vague. While you don't need to get into graphic detail, if you committed adultery then say you committed adultery. Number: How many times did you commit this specific mortal sin? There is a big difference in committing the sin one time since your last Confession vs. ten times. Why is it important to mention kind and number when making an integral confession? Because mentioning the kind of sin helps to hold us accountable for what we've done - any number of sins could fall under the category of "impure acts." Please don't be embarrassed or afraid, the priest has heard it all before (and will forget it soon after you've confessed it). Confessing the number of times you committed the sin is important because knowing the number helps the priest better give you advice on how to overcome a sin that might be have become habitual.

In reference to the issue of mortal sin, it is also valuable to note Canon 916 of the Code of Canon Law which reads: "A person who is conscious of grave sin is not to celebrate Mass or receive the body of the Lord without previous sacramental confession unless there is a grave reason and there is no opportunity to confess; in this case the person is to remember the obligation to make an act of perfect contrition which includes the resolution of confessing as soon as possible." If you are conscious that you are in the state of mortal sin, you are not to receive Holy Communion until you have received the Sacrament of Confession. Doing so becomes another grave sin. It is not sufficient to simply make an act of contrition with the intention of going later. Notice that the Canon mentions this is only possible when there is no opportunity to confess and there is a "grave reason." The noble desire to receive the Eucharist or not wanting to be embarrassed in front of friends and family does not constitute a grave reason. If you happen to find yourself in the state of grave sin, I encourage you to make it a point to receive God's mercy by going to Confession as soon as possible!

God bless,

*Rev. Bryce Sibley, STL*

**NEW VESTMENTS** - Since I've arrived, several people have asked me if there was anything they could help with or provide for the parish. After looking over things and thinking about it, I realized that we are in need of new vestments for Mass. We only have a few that belong to the parish, and most of those are a bit worn, some are missing stoles, or they are "Fr. Chester-sized." This is a great opportunity for parishioners to help the parish, to something in memory of a loved one, and to add beauty to the liturgy with vestments that better complement the beauty of our church. We are asking for a \$600 or \$300 donation which will cover the whole or half cost of each vestment set and because there will only be room for two names to be sewn into the vestment. Each vestment can be donated in memory of a loved one or family member and a "Donated in memory of..." tag will be sewn into the vestment. The vestments will be hand made by House of Hansen out of Chicago. I have worked with them for over ten years, and they do wonderful work. We will order as many vestments as people and families are willing to donate. Thank you in advance for your generosity to the parish!
